SOLI DEO GLORIA

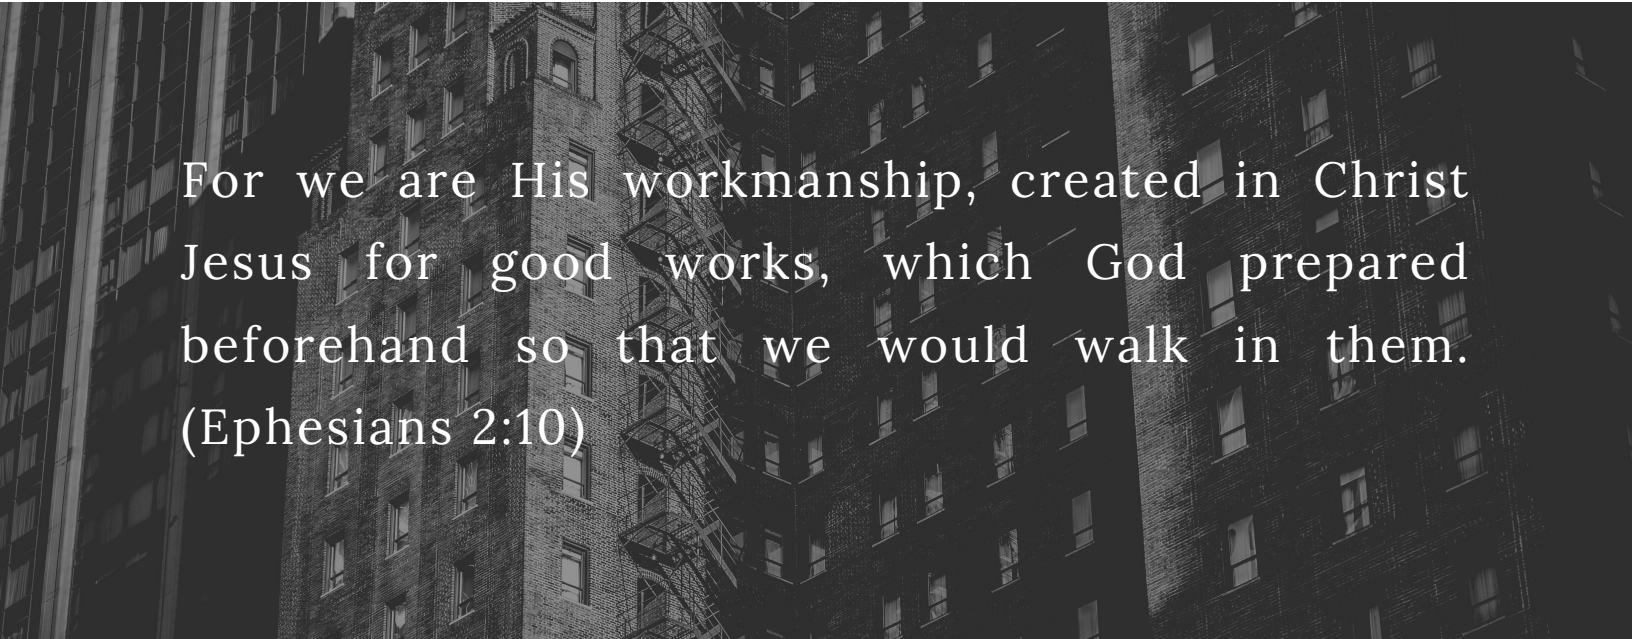

WHO WE ARE

To bring glory to God alone through the proclamation of the gospel and Christ-like care to those in need.

The Hope movement is a 501 (c)(3) Christian ministry that strives to be an effective mediator between the giving Church and faithful Christian ministries in remote parts of the world.

We provide these ministries financial resources for life-transforming programs, projects, and activities. We provide theological and evangelistic development and resources to edify the body of Christ and proclaim the truth of God's Word to the ends of the earth. We provide logistical guidance to develop efficacious Christ-like mission work. We implement gospel-focused ministry around the world united with Christ's church. We do this in obedience to God's Word, devotion to our Lord and Savior Jesus Christ, and love for our neighbor, all for the glory of God alone.

MEET THE TEAM

To bring glory to God alone through the proclamation of the gospel and Christ-like care to those in need.

Jonathan Roiz

Founder/ President

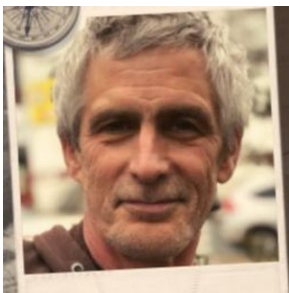

Jonathan Roiz is the husband of Paula and the father of Elizabeth, Jeronimo, and Samantha. Jonathan has studied systematic/historical theology at Covenant Baptist Theological Seminary. He has served in the local church as a deacon, pastor of three congregations and is currently an itinerant preacher and open-air evangelist. More importantly, he is saved not by his own merits or worthiness but by the awesome unexplainable grace of God.

Pastor Craig Cole

Board Member

Lead preaching elder of Discipleship Community Church in New Castle, PA. He is married to Molly and has one daughter Camdyn. He loves basketball and baseball, but most importantly proclaiming the gospel and making authentic disciples of Christ.

Alan Henningsen

Board Member (Posthumous Emeritus)

Born in Greensburg, Indiana, and resided in Baltimore, Maryland. He is a husband to Nanci, Father to Avery and AJ, and grandfather of three. Educated in Biology of Marine Science from the University of Miami. Deacon at Faith Fellowship Church. Alan describes himself as a sinner saved by grace in Jesus Christ and His finished work on the cross. He strives to yield to Christ fully and is faithful to the study of the Word of God as it is the sole authority for living. He is passionate about proclaiming the gospel to bring lost souls to a saving knowledge of Jesus Christ.

Do your best to present yourself to God as one approved, a worker who has no need to be ashamed, rightly handling the word of truth. (2 Timothy 2:15)

METHOD TO THE MISSION

To bring glory to God alone through the proclamation of the gospel and Christ-like care to those in need.

Under the guidance and direction of Jesus Christ, and the leading the Holy Spirit all for the glory of God alone, we desire to serve the LORD faithfully with all our heart (1 Samuel 12:24), considering what great things He has done for us. Declaring His glory among the nations, His marvelous works among all the peoples (Psalm 96:3). We are determined to present ourselves to God as one approved, unashamed, rightly handling the word of truth (2 Timothy 2:15). For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them (Ephesians 2:10).

As a bible-obedient ministry, our first priority is to love the Lord our God with all our heart, with all our soul, and with all our mind (Matthew 22:37). We do this by complete obedience to Scripture as the final authority as the Holy Spirit leads us to develop initiatives that bring glory to God and hope to those in need. We reject the practice of catering to culture and practicing our righteousness before other people in order to be seen by them (Matthew 6:1-4), but rather stand firm on the Word of God and choose Christ over culture, for He is our reward.

We are committed to loving our neighbor as ourselves (Matthew 22:39). Pouring ourselves out for the hungry and satisfying the desire of the afflicted, so that our light shall rise in the darkness (Isaiah 58:10). In knowing that for our sake God made him be sin who knew no sin so that in him we might become the righteousness of God, we devote our entire life to proclaiming Christ. We train, equip and teach the body of Christ and conduct evangelistic outreach as ambassadors for Christ, imploring the lost to be reconciled to God through Christ Jesus (2 Corinthians 5:18-21).

We collaborate with authentic biblical believers, ministries, missionaries, and churches around the world to strengthen our united efforts theologically, strategically, logistically, and financially. For as in one body we have many members, and the members do not all have the same function, so we, though many, are one body in Christ, and individually members one of another (Romans 12:4-5).

We are brothers and sisters in Christ, predestined by God for adoption as sons through Jesus Christ, according to the purpose of His will (Ephesians 1:5). We want our love to be genuine. Abhorring what is evil; holding fast to what is good. We desire to love one another with brotherly affection. Outdoing one another in showing honor (Romans 12:9-20). As each has received a gift, we will use it to serve one another, as good stewards of God's varied grace: whoever speaks, as one who speaks oracles of God; whoever serves, as one who serves by the strength that God supplies—in order that in everything God may be glorified through Jesus Christ (1 Peter 4:10-12).

We cast our hearts upon the poor, the orphan, and the widow and show Christ-like compassion. With discernment and biblical wisdom, we reach out to those in distress directly and through collaborations to provide care and relief. Where there is thirst, water. Where there is hunger, nutrition. Where there is no home, shelter. Where there is no access to knowledge, education. We are committed to doing that which is pure and undefiled before God, the Father, caring for the orphans and widows in their affliction, and to keep ourselves unstained from the world (James 1:27).

Therefore, having this ministry by the mercy of God, we do not lose heart. However, we have renounced disgraceful, underhanded ways. We refuse to practice cunning or to tamper with God's word, but by the open statement of the truth, we would commend ourselves to everyone's conscience in the sight of God. For what we proclaim is not ourselves, but Jesus Christ as Lord, with ourselves as your servants for Jesus' sake. For God, who said, "Let light shine out of darkness," has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ (2 Corinthians 4:1-6).

We develop resources to edify the body of Christ and to empower the church to proclaim the gospel to the nations in order to make disciples. We write and produce books, videos, podcasts, tracts, and theological educational materials in various languages. We design apparel with biblical messages to assist in evangelistic efforts. We produce music to edify the church. In providing these resources our desire is to see the gospel taken to unreached nations, to see the church mature in biblical truth and God glorified through the passionate evangelistic work of believers around the world.

HOPE MOVEMENT THEOLOGICAL SEMINARY

To bring glory to God alone, through the proclamation of the Gospel and provision of free biblical training worldwide.

The Hope Movement Theological Seminary is passionate about the Word of God and bringing glory to God alone through biblical training of leaders and members of the global church to equip the saints for the work of ministry, for building up the body of Christ, until we all attain to the unity of the faith and of the knowledge of the Son of God, to mature, to the measure of the stature of the fullness of Christ.

The Hope Movement produces and translates our own materials and has also partnered with Third Millennium Ministries (IIM) who offer seminary curriculums in various languages. We want every single believer that wishes to study theology to join our seminary and that's why we offer free courses for our students allowing them to learn and grow in Christ and obtaining a diploma in theological studies.

We believe that having a solid understanding of biblical doctrine is essential for every believer and that access to these profound truths should not be hindered because of location and financial status. We desire to edify and instruct each student so that we may no longer be children, tossed to and fro by the waves and carried about by every wind of doctrine, by human cunning, by craftiness in deceitful schemes. Rather, speaking the truth in love, we are to grow up in every way into him who is the head, into Christ, from whom the whole body, joined and held together by every joint with which it is equipped, when each part is working properly, makes the body grow so that it builds itself up in love.

MISSIONS OF HOPE

NEW

To bring glory to God alone through the proclamation of the gospel and Christ-like care to those in need.

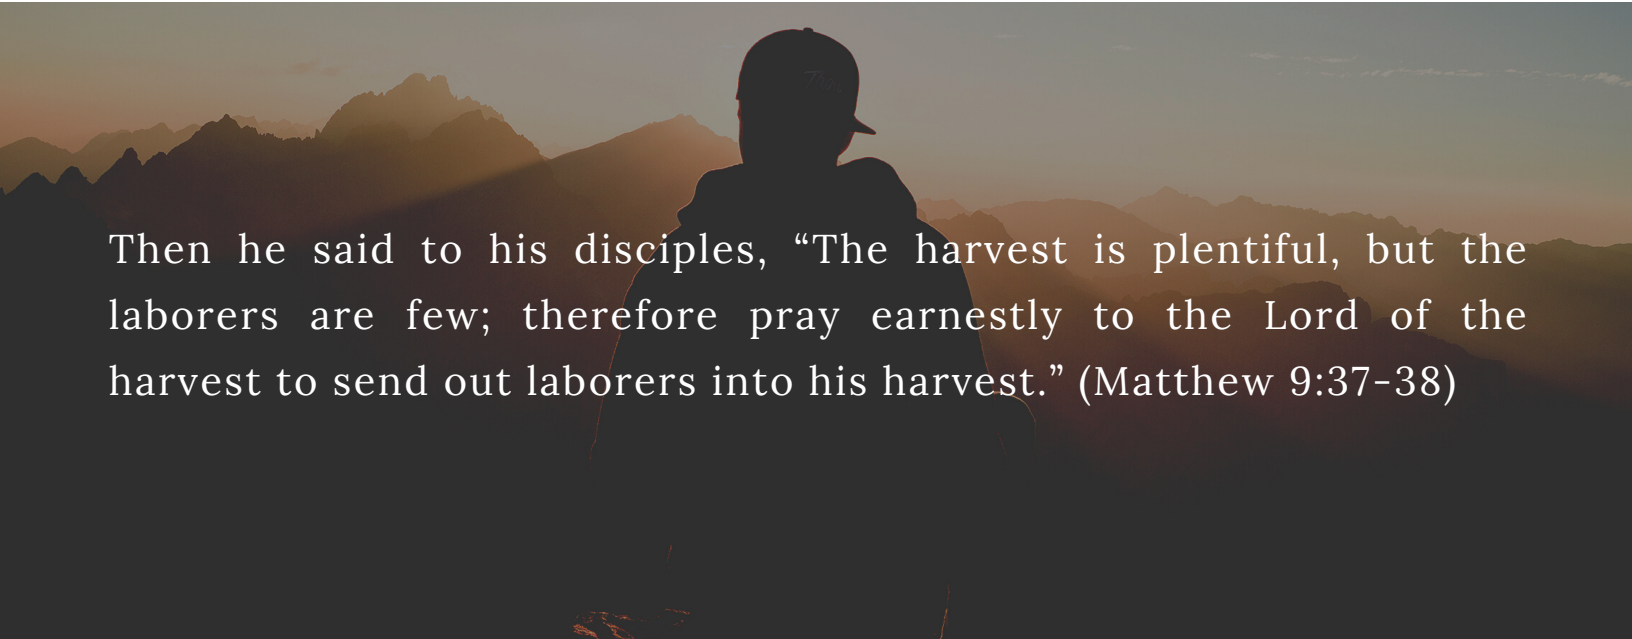

We equip, send, and support Christians who are called to world missions. There are billions of people in our world who are unreached or undisciplined. As a member of the body of Christ, we are all called to make disciples whether where we are or from afar. For some, they may be called to full-time mission work in the United States, for others they God may send them to a distant land.

WE EQUIP...missionaries and prepare them for the mission field. We do this by confirming their calling, theological training, language training, and financial and logistical preparation.

WE SEND...missionaries to places under the authority of their local church where God is leading them. Perhaps a community with a completely unreached people group or a place where there is a need to plant a biblical church.

WE SUPPORT...missionaries by supporting them financially. Most missionaries have to spend a large part of their time seeking donations. We want to remove that burden by fundraising on their behalf so that they can focus completely on their mission.

HELP BRING THE GOSPEL TO THE ENDS OF THE EARTH BY BECOMING A REGULAR FINANCIAL SUPPORTER TO OUR MISSIONARIES.

Then he said to his disciples, “The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest.” (Matthew 9:37-38)

In the heart of Africa, The Hope Movement is partnering with local churches and organizations to bring about lasting change in the lives of those in need. Through our various initiatives, we are witnessing the gospel's transformative power as individuals and communities are being lifted out of poverty, both physically and spiritually.

In Ethiopia and Kenya, we support church plants that bring hope to the lost and marginalized. These churches provide a place of worship and serve as centers for education, and community development. By empowering local pastors and leaders, we are equipping them to be agents of change within their own communities.

In Sudan and Tanzania, we are engaged in mission work focused on teaching theology and training pastors. By investing in the spiritual growth and education of church leaders, we are helping to strengthen the foundations of the Church and ensure the spread of the Gospel in these regions.

EDUCATION SCHOLARSHIPS

One of our most rewarding endeavors is providing scholarships to young people in Kenya. These scholarships enable them to receive a quality education and empower them to break the cycle of poverty and become future leaders in their communities. One is a young lady who now graduated from university, is engaged to be married and is a faithful member of a local reformed Baptist church.

Recently, we had the joy of witnessing a baby being rescued from abortion in Kenya. A pastor saw our evangelism videos in the U.S. and was moved to take action. Through our partnership with a local reformed church, the mother chose life for her child and professed faith in Christ. Today, she is an active church member, experiencing the love and support of her newfound family.

As we continue our work in Africa, we are reminded of the power of God's love to transform lives. Through the support and prayers of our donors, we are able to bring hope, healing, and restoration to those in need. Together, we can make a difference and be agents of change in Africa and around the world.

Together Dwight and Cristi operate their ministry United Ministries Gospel Outreach (UMGO) and offer support wherever there is a need and wherever God leads.

In 2022, with the support of generous donors and our ministry partners, we were able to offer assistance and relief goods to families affected by Typhoon Rai (also known as Odette) in Mabua, Surigao. Additionally, we discovered an unreached group of people in the area and were able to provide them with relief goods and share the good news of Jesus Christ with them.

Dwight recently underwent a procedure called Coronary Angiogram, which revealed blocked arteries in his heart. The doctors recommended an open heart operation, but instead, Dwight underwent Coronary Angioplasty twice. During these procedures, two stents were placed in his arteries, and he spent a total of 8 days in the hospital.

We are thankful for the prayers and financial support that helped us through this challenging time.

It brings us joy to see many young people getting baptized and growing in their faith. We started hosting a monthly gathering for young adults which is forming into a church plant at our home on Sundays. These young adults come from three different municipalities in the Albay province, with the farthest traveling 25 miles to join us. Most of them rely on public transportation, which can be difficult at times. During our gatherings, we pray, worship through songs, watch sermons by Pastor Joel Beeke, enjoy a fellowship meal, and have a Q&A session. It's a time of spiritual growth and connection. We are excited to support Bro. Bien, the leader of our young adult group, as he embarks on a journey to Bicol Center for Christian Leadership (BCCL)

for formal ministry training. He will be enrolled in a five-modular course that will grant him a Certificate in Leadership Foundation (CLF). This program is designed to equip emerging leaders with foundational knowledge and skills for spiritual leadership.

We have been actively involved in supporting the group's children's outreach efforts. We provide teaching materials, teaching aids, toys, and books that we receive from Balikbayan boxes sent from America. Additionally, we offer simple snacks to the children during these outreach programs. In October, we were able to provide financial assistance to sister Suellen, who was severely affected by flooding in Sultan Kudarat, located 580 miles away from us. The flooding was caused by Severe Tropical Storm Nalgae, locally known as Paeng. Many families were displaced, including Suellen and her five young children.

Thankfully, they were rescued and brought to safety without any injuries. We are grateful that we could offer support during this difficult time.

With the help of our young adults, led by Bien and Mika, we distributed Christmas packs containing Gospel tracts to families in Guinobatan during the Children's Thanksgiving Celebration. We provided funds for the food and some toys from the Balikbayan Box sent from the US. The young adults cooked, prepared the program, wrapped the toys, and shared the Good News with the children using beaded bracelets. It was a wonderful way to spread joy and the message of God's love.

In all the things we have accomplished and so much more in 2022, we give thanks, honor, and glory to God the Father through Jesus Christ our Lord.

NEPAL

We have partnered with Evangelical Baptist Church in India. We supported the Pastors Training Institute (RBPTI) and hope to expand our partnership to preach the gospel and plant reformed churches in unreached villages. The institute trains pastors biblical theology, many from a Pentecostal background. Through this ministry churches have become reformed and other pastors can face opposition for trying to bring their local church back to biblical truth. Also, many theology books have been translated into their native language where previously these materials were never available. Through this church, The Hope Movement has supported teachers' salaries at Bethshan Special School in India. The school was established with the holistic aim of helping the mentally challenged children in the community.

Our dear brother Daniel Courtney is a missionary in Nepal, where evangelizing is illegal. However, he is open-air preaches daily, trains Christians, planted a reformed house church, and operates an orphanage for girls along with his wife and children. We have been able to send financial support thanks to our faithful donors.

We collaborate with churches, indigenous ministries, and missionaries to help them serve those in need and proclaim the gospel. The support we provide helps to create and/ or develop projects which feed the hungry every week, counseling to the hurting, education to children and adults, church reform and planting, theological training, and evangelism to share the gospel and make disciples.

Thanks to your generous support, we've been able to make a profound impact in the lives of many through our church-led feeding centers in Guatemala.

One of our recent initiatives involved conducting an evangelism training class via Zoom. This virtual course was designed to equip Christians with the tools and knowledge they need to effectively

share the gospel in their communities. Through interactive sessions and practical exercises, participants were empowered to become ambassadors of Christ, spreading His love and message to those who need it most.

But that's not all! We also had the privilege of leading a teaching session for pastors and their wives from various parts of Guatemala. The focus of this session was biblical family structure, aiming to strengthen marriages and family units within the church. By providing biblical guidance and practical advice, we hope to see healthier and stronger families that can positively impact their communities.

These initiatives are just a small glimpse of the incredible work being done in Guatemala, and it wouldn't be possible without your support.

EUROPE

UKRAINE DISASTER RELIEF

In the midst of the ongoing conflict in Ukraine, there is a glimmer of hope shining through the darkness. The Hope Movement, in partnership with a local church, recently sent funds to support their efforts in reaching out to refugees and Christians affected by the war. Funds were sent directly to a Ukrainian church. Later we supported a group of missionaries from the United States, led by an American brother serving in Nepal, embarked on a remarkable journey to deliver much-needed goods and share the life-transforming message of the gospel.

With hearts filled with compassion, the team of missionaries traveled to Ukraine, ready to make a difference in the lives of those impacted by the war. Their purpose was twofold: to provide essential supplies and to proclaim the hope found in Jesus Christ. They understood that physical aid alone could not heal the wounds of war; spiritual support was equally crucial.

Upon arriving in Ukraine, the missionaries wasted no time in distributing the supplies they had brought with them. Food, clothing, and medical necessities were provided to those who had been displaced or affected by the conflict. In addition to meeting tangible needs, the missionaries also brought a message of hope to the war-weary population.

As the missionaries traversed the war-torn streets, they boldly proclaimed the gospel, drawing crowds of curious onlookers and seekers. Churches opened their doors, and hundreds of people flooded in to hear the message of salvation. Hearts were touched, lives were transformed, and a renewed sense of hope began to spread throughout the community.

In the heart of Baltimore City, a group of dedicated individuals have come together to transform vacant lots into vibrant community gardens. This initiative, supported by The Hope Movement and fueled by the passion of volunteers and donors from various churches, is making a significant impact in the lives of the poor and needy.

The journey began with the adoption of vacant lots that were once neglected and abandoned. With the vision of creating a space for growth and healing, these lots were transformed into beautiful gardens, bursting with life and potential. Through hard work and determination, these gardens have become a symbol of hope and transformation in the community.

But the impact goes beyond just the physical transformation of the lots. The community gardens have become a gathering place for neighbors to connect and cultivate relationships. Volunteers from different churches join hands to serve, not only by tending to the gardens, but also by feeding the hungry and providing clothing to those in need.

The mission of The Hope Movement, to empower the body of Christ, is evident in the way these volunteers serve the community. They not only meet physical needs but also share the love of Christ through their actions. Preaching the gospel on the streets, they bring hope and salvation to those who are lost and in need of a Savior.

The continued development of these community gardens is a testament to the power of unity and compassion. Together, we are transforming vacant lots into spaces of growth, healing, and community. Through the love and dedication of volunteers, we are making a lasting impact on the lives of the poor and their communities, both physically and spiritually.

Join us in this transformative journey as we work towards building a better future for Baltimore City, one garden at a time. Along with this work we have partnered with Jennifer Thompson to support Coats for Kids. Through this ministry coats are distributed to underserved communities to help with the cold winter months. Together, we can make a difference and bring hope to those who need it the most.

ABOLISH ABORTION MOVEMENT

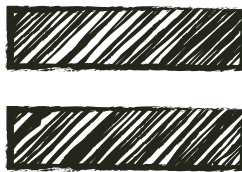

Speak up for those who have no voice. (Proverbs 31:8)

We stand up for the pre-born person by conducting evangelistic missions at local abortion mills. There we proclaim the gospel out of love for the child's parents and all who hear the truth of God's Word, we distribute tracts, offer counsel, prayer, and work with the parent to find the best options for their child. Some of those options are references to resources such as Christian pregnancy centers, provision of baby items and monetary support, and even adoption.

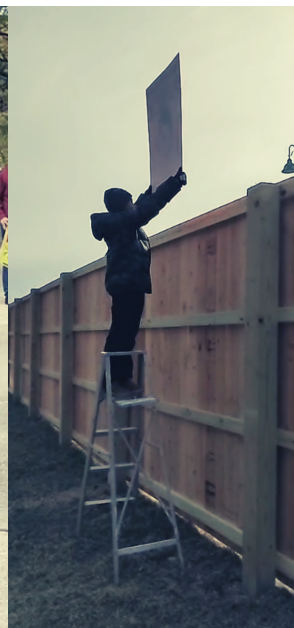

In addition, we work with other churches to speak out legislatively to put pressure on our government to change laws to abolish abortion to provide equal rights to image bearers of God inside and outside of the womb.

ABOLISH ABORTION MOVEMENT

Speak up for those who have no voice. (Proverbs 31:8)

Nchwimeh Serophine (Ciara) was on her way to the abortion mill in College Park, Maryland. She is married with two children. The marriage is not good, so she thought the best option was to murder her children. When she arrived at the abortion mill, she heard a Christian preaching the gospel. She walked into the abortion mill, paid the fee, and received a sonogram. They informed her she was having twins. While inside the abortion mill, she could still hear the preaching of the gospel. Feeling convicted, she told the abortionist that she wanted to go outside to think. The abortionist said, "If you wait, it will be more expensive as those babies are getting bigger." She went outside, and the Christian called her over and pleaded to behave for the lives of the babies. That day she changed her mind. Later our team took her to dinner, gave her a blessing bag, and connected her to resources to help with living expenses and a baby registry. On Saturday, October 15, 2022, we had a beautiful baby shower for her two baby girls, who will be born in January. Hannah, Erika, Michael, Noah, Brandon, and Jeff did a wonderful job organizing this event.

ORPHAN CARE

You can make a difference by helping us care for orphans around the world. Financial support provides housing, scholarships, medical care, and most importantly love of Jesus Christ.

FEED THE HUNGRY

We provide over 50,000 meals to those in need around the world. From the streets of Baltimore to Guatemala to across the ocean in Africa and Asia, we care for the hungry giving them nutritious meals and hope for a brighter future.

WATER WELL INSTALLATION

Thousands do not have access to clean water for drinking, cooking, or bathing. They are forced to walk miles each day in search of water in order to survive. We partner with indigenous missionaries in the country and work together to dig and install water wells.
